Team KID: Kids in Discipleship

Learning about God, Using the Bible, Living for Jesus by Praying, Giving, and Serving.

What is TeamKID?
TeamKID is our Wednesday night Discipleship program for kids at West Acres. Each week kids will spend time memorizing Bible verses and have fun playing games.

What is the goal?
The goals of TeamKID are for kids to learn about God, know how to use their Bible, and Live for Jesus. To help accomplish these goals kids are encouraged to memorize scripture, demonstrate Bible skills, and participate in certain service challenges, which are divided into multiple "Challenge Levels." As kids complete sections of each level they earn TeamKID points that can be used in our TeamKID store.

What will a night look like for elementary kids?
All Kids (3 year olds - 5th Grade) will start in the "MPC" where we will sing songs, hear about the Bible truth for the week. Kids will then be separated into small groups organized by their age and gender. They will then rotate between their small group upstairs in the Kids Building and Game time in the MPC. During their small group time there will be a dedicated time to learn and recite memory verses.

Is there a cost?
No, TeamKID is free to participate, but we will be collecting money and other items throughout the year to support missions.

Are there incentives and rewards for kids?
YES! As kids complete sections of the challenge levels they can earn TeamKID bucks that can be spent in our TeamKID store. Additionally, at the end of the year we will present kids awards and prizes that have completed entire Challenge Levels.

How can I connect what my child is learning at home?

- Make sure you bring your child's TeamKID folder to church each week so you can track what specific verse and skill they are working on that week.
- Each week spend time practicing at home. If you sign off on the weekly half sheet that your child receives then your child will earn an extra weekly point.

I have more questions…
If you have more questions about TeamKID contact our Children's Pastor,
