Our Partners: Mosaic Church, Provo, UT

Provo, Utah is in the backdrop of the Rocky Mountains. The city is beautiful, affluent, and many wonderful people live there. However, less than 0.5% of Provo residents profess faith in the Biblical Jesus. Most people still worship in temples, believe there are an infinite number of gods, and depend on faith in addition to works for salvation.

Mosaic Church was established in 2020 for the purpose of making the real, Biblical Jesus non-ignorable. They were planted in the heart of Provo to see the power of God transform the most unreached city in North America. By God's grace, Mosaic has experienced much fruit over the last few years. We are excited to partner with this local body of believers who are committed to reaching a very difficult people group.

What will you do?

Our mission team will assist Mosaic Church with canvassing neighborhoods by handing out flyers to promote a block party, praying with residents on their doorsteps, and sharing the gospel. We will help Mosaic execute the block party, engage with attendees, and connect them with Mosaic Church members. As time allows, we will visit the Salt Lake City Temple Square and local colleges for prayer walking and evangelism conversations.
